

## **GUIDELINES FOR UNIVERSITY NAME ADDITION IN AISHE DATABASE**

Ministry of Human Resource Development is conducting All India Survey on Higher Education (AISHE) annually to prepare a sound database on a large and diverse system of Higher Education in the country. The survey covers all the Institutions in the country engaged in imparting the higher education. A rich data-base has been built from the data collected under AISHE and it is getting updated from the annual data submitted by the Institutions. These are useful in making informed policy decisions and research for development of education sector.

The University/ University Level Institutions whose name is not available in AISHE list are requested to send following documents to MHRD officials available under 'Contact Us' through mail for addition of the name.

- A Copy of the Act through which University has been established/ given the status of University
- Year of Establishment.
- Year from which first Academic session has been started in the University.
